CARE & REPAIR in NORTH LANARKSHIRE

SMALL REPAIRS

The service is for elderly and disabled owner/occupiers or private sector tenants who require minor repairs to their home.

- In general a small repair will require to be completed in no more than 3 hours.
- Clients will require to pay the cost of materials only.
- A hardship fund will operate to pay for materials in limited cases.
- Examples of small repairs might include:
Door and window repairs; repair kitchen unit; skirting-board; flooring; fit new lock; fit draught excluder; cistern repair; overflow or washer; socket or light fitted.
- The service will cover most small joinery repairs, plus limited small plumbing, electrical and external repairs.
- The service excludes decoration, gardening, fencing, slabbing, gas or domestic appliances, glazing, or work over one-storey.
- If you are unsure whether the small repairs service can assist, please telephone for advice.
